

32nd INTERNATIONAL CONFERENCE

International Academy
of Physical Sciences
(CONIAPS-XXXII)
on
Science, Technology,
Mathematics and UN Sustainable
Development Goals
(STM-UNSDGs-2026)

Hybrid Mode

13th - 15th March, 2026

Organised by

Faculty of Basic Science
AKS University, Satna - 485001 (M.P.) India

About AKS University, Satna

AKS University, Satna is a leading institution committed to academic excellence, innovation, and skill-based education. Established under the Rajiv Gandhi Group of Institutions, the University offers undergraduate, postgraduate and doctoral programs across science, engineering, agriculture, pharmacy, management and humanities. With modern laboratories, advanced research facilities and strong industry linkages, AKS University promotes experiential learning and interdisciplinary research. The University emphasizes values, professionalism and community development while nurturing globally competent graduates. AKS University is proud to host this conference and provide a platform for researchers, academicians and professionals to exchange ideas and contribute to scientific and technological advancement.

About The International Academy of Physical Sciences (IAPS)

The International Academy of Physical Sciences (IAPS) was established on 4 December 1994 in Allahabad (now Prayagraj), India. It is a distinguished scientific body devoted to advancing research, education and collaboration in the physical sciences. IAPS brings together academicians, researchers and professionals from disciplines such as physics, chemistry, mathematics, computer science, earth sciences and related fields. The Academy organizes the prestigious CONIAPS conferences, publishes scholarly work and recognizes scientific excellence through awards and fellowships. With a strong commitment to promoting interdisciplinary research and nurturing young talent, IAPS continues to contribute significantly to national and international scientific development.

About Faculty of Basic Science and Centre for Green Chemistry & Sustainability

The Faculty of Basic Science at AKS University offers strong academic and research programs in Chemistry, Physics, Mathematics and related disciplines. With experienced faculty, modern laboratories and a supportive research environment, the Faculty promotes innovation, scientific skills and interdisciplinary learning.

The Centre for Green Chemistry and Sustainability, established under the Faculty, focuses on eco-friendly chemical processes, waste-to-wealth technologies, alternative solvents and sustainable materials. It promotes research, industry collaboration, training and student participation in green initiatives. The Centre is committed to advancing environmentally responsible science and contributing to sustainable technological development.

About The Conference

The 32nd International Conference of the International Academy of Physical Sciences (CONIAPS-XXXII) on Science, Technology, Mathematics and UN Sustainable Development Goals (STM-UNSDGs-2026) brings together leading academicians, researchers, industry experts and young scientists from across the globe to share recent developments and innovative findings. This prestigious event provides a vibrant platform for interdisciplinary dialogue across physical sciences, engineering, mathematics, life sciences and emerging technologies. The conference aims to promote high-quality research, encourage collaboration, and highlight breakthroughs that contribute to sustainable technological growth. CONIAPS-XXXII will feature keynote lectures, invited talks, oral and poster presentations, offering ample opportunities for knowledge exchange and networking among participants.

Thematic Areas of the Conference

1. UN Sustainable Development Goals
2. Advanced Materials and Nanotechnology
3. Green Chemistry, Sustainability and Environmental Technologies
4. Chemical Sciences and Emerging Catalytic Systems
5. Physics of Advanced Devices and Technologies
6. Mathematical Sciences and Computational Modelling
7. Engineering and Technological Innovations
8. Biotechnology, Life Sciences and Bioinformatics
9. Earth Sciences and Atmospheric Studies
10. Computer Science, Data Science and Cyber Technologies
11. Interdisciplinary Research and Emerging Frontiers

Guidelines for Abstract/ Paper Submission

- The delegates who are willing to contribute/participate/ paper presentation can submit paper according to thematic areas of conference with abstract not exceeding 300 words with 5 key words and full paper with approximate 3000 words.
- All the submission should be in MS word formats typed in double space Time New Roman font 12 point size for English paper and for Hindi paper MS word format, krutidev 010, font 14 point size. The first page must contain title of paper, Author's Name, Designation, Affiliation, Contact Number and email-id. Best papers will be awarded

Paper & Abstract Submission at

coniaps32@aksuniversity.ac.in

Guideline for Poster Presentation

Posters are invited for physical presentation at the conference. The prescribed poster size is 48" x 60" inches (1.2-1.5 meters), and posters must be printed in good quality (flex printing recommended). Physical presence of the registered participant during the poster presentation is mandatory. Each participant will receive a certificate of participation, and the best posters presented in person will be selected for awards.

TA/DA will not be provided to participants

 - Commencement of Abstract / Paper Submission : 20th December 2025
 - End of Abstract / Paper Submission : 21st February 2026
 - Information of accepted Abstract / Paper : 1st March 2026
- Abstracts and Full Papers are invited according to thematic areas of the conference.
 - Proceeding will be published with ISBN No.
 - Selected Papers will be published in scopus index journals with APC.
- Papers selected for the Young Scientist Award will be published in
JOURNAL OF INTERNATIONAL ACADEMY OF PHYSICAL SCIENCES
(ISSN 0974-9373)

Young Scientist Award (YSA):

Young Scientist Awards are given to researchers in the fields of Physics, Chemistry, Mathematics, Computer Science, and Allied Sciences. YSA carries a certificate, cash prize and other benefits. An interested candidate has to apply for YSA, in the mentioned fields, along with full length paper. After screening process of the full length paper, the candidate has to present the paper before the panel of experts at the 32nd CONIAPS in physical mode. Full length paper for YSA must reach to the convener of the conference by February 21, 2026.

Eligibility for Young Scientist Award (YSA) :

A researcher, competing for the YSA, must not have crossed the age of 35 years on March 13, 2026, as evidenced from the Board of Examination Certificate of class X. Contestants for YSA have to submit full paper along with age proof and payment of Registration Fees. The number of authors in a paper for YSA should not be more than two. In case, the second author is different from the supervisor of the candidate, then No Objection Certificate should also be obtained by the candidate from the other author.

Young Scientist Award (YSA) Candidates will submit their CV at :coniaps32@aksuniversity.ac.in
